

Ancient Egyptian Cross Stitch

This work depicts the art, architecture, landscape, people, animals and gods of the Ancient Egyptians in the glorious cross stitch designs weve come to expect from this talented author. Subject matter includes the face of Tutankhamen, the breathtaking pyramids, fascinating hieroglyphics, and life on the River Nile. All 25 projects, such as pictures, wall hangings, cushions, box lids and greetings cards, have full step-by-step stitching and making-up instructions. This book reveals the fascinating historical facts and insights behind every design to make this a truly unique cross-stitch journey through an ancient civilisation.
