

## Blue Book Dolls and Values, 15th Edition

The first, favorite, and most trusted, price guide to all types of dolls is even more colorful and reader-friendly in its 15th edition. It is organized into an Antique section which covers the manufacturers of the bisque, china, wax, wood, cloth and papier-mache dolls of the 19th and early 20th century and a Modern section which covers the makers of composition, hard plastic, vinyl, artists dolls and more. Arranged alphabetically by manufacturer, the Blue Book features over 560 photographs - all in color! Whether one has just one doll or an entire collection, antique dolls or dolls of today, this is the one doll book that you will use. Every collector will need the latest bible for collectors prices and identification!
