

# Stand By Your Man: A Radical but Effective Way to Repair Your Marriage

Stand By Your Man: A Radical but Effective Way to Repair Your Marriage lays out in simple terms how you can save a troubled marriage. The methods aren't politically correct, but they do work. It was written for wives, those who are at their wits' end and those who are just beginning to be concerned about whether their happily ever after is going to happen. This short book cuts to the chase, not forcing you to read a bunch of theories or mumbo-jumbo you don't care about. It delivers practical advice to save your marriage and restore happiness in your home.
