

MO!: Live with Momentum, Motivation, and Moxie

What is MO? The purpose of MO! is to help people get and stay motivated, but with a very unique twist. Most people think that motivation is out of reach for them. They have an average job at an average company. This audiobook is intended to give hope by shining light on those people who are in average regular jobs, but are amazing. This audiobook profiles those people in ordinary jobs, who, despite that fact, decided NOT to be ordinary. We see a Service Advisor, Hot Dog vendor, Airline Gate Agent, Seafood Market Owner, Construction worker, Seamstress, Fitness Trainer, and a Taxi driver who all have the magic MO! qualities. Every day, they perform their jobs brilliantly, exceptionally, and differently - exceeding everyone's expectations of what that job should be. More importantly, everyone around them knows it, sees it, and acknowledges it. This is something anyone can achieve - and this audiobook highlights the qualities essential to achieve it.
