

Dusu: Path of the Ancient #1

Within every heart sleeps the animal. The One awakened will be lord of all. Hidden from his kin and sheltered from his future, Dusu is raised among the Galemren wild elves in the secret heart of the Ugoma Jungle, a world in which he does not belong. But Dusu is not entirely human either. He is on the Path to something more

Dusu must focus his rage and become the savior of Ugoma before all he loves is destroyed. This is dark, brutal fantasy as you have never seen it. Powerful storytelling and lush artwork, Stranger Comics Dusu: Path of the Ancient will echo like a primal scream within the deep recesses of your imagination. -- LLOYD LEVIN (Watchmen, Hellboy, Boogie Nights) Once again, Sebastian A. Jones and Stranger Comics have cleverly combined classic elements of pulp adventure with their own unique brand of dark fantasy, resulting in Dusu: Path of the Ancient, a mythic tale that is wonderfully familiar and yet somehow completely original. -- ANDREW COSBY (2 Guns, Founder of BOOM!, Creator of Eureka) Dusu: Path of the Ancient stands among some of the best graphic storytelling I have ever had the pleasure to read. -- BALOGUN OJETADE (Komplicated, Sword and Soul)) Its as if Frazetta decided to do a graphic novel. -- MILTON DAVIS (Wagadu, Sword and Soul) Its rare that one finds a book full of lush painted tapestry that you can only describe as a masterpiece but Dusu is that, if not more. 5/5 -- RYAN FRASER (Black Heroes)
