

Savannahs Ghosts II (Bk. 2)

Savannah, Georgia, has been rated among the top three haunted cities in America today and for good reason! True stories of ghosts, poltergeists, and strange and unusual spiritual events in Savannah will make you shiver as you read about: The tragic air crash that killed crew and observers--are they still here with us? A dark shadow in the attic of the Krouskoff Mansion on East Abercorn Street--the one that just waits and watches. Gravesites by the runway at the Savannah International Airport--why are they there? The skeleton found in the wall at the Foley House Inn where a murderous secret is buried. These and other scary tales of Savannah will have you reading deep into the night, proving that real life experiences are, indeed, far stranger than fiction.
