

Gifts for Baby: Toys, Clothes & Nursery Accents to Make with Love

No matter whether you're a sewer or a general crafter, there's a baby gift here to suit your skills and thrill any new parents. Start with the section on selecting your present, and then check out the guide to choosing materials, a sizing chart for babies up to a year old, an introduction to basic stitches, and tips on what's safe for an infant. Try an embellished cotton top, little booties, or oilcloth bib. Wrap winter newborns in fleece bunting. Clothing, blankets, and other sewn articles feature modern, washable fabrics that will stand up to wear and tear. Stimulate baby's mind with smart toys, like soft blocks or a mobile, and ease teething pains with a felt rattle. Plus: gift presentation ideas, personalized cards, and interesting information on baby gifts and new baby traditions from around the world.
