

Hampden in the Nineteenth Century, Vol. 1 of 2: Or, Colloquies on the Errors and Improvement of Society (Classic Reprint)

Excerpt from Hampden in the Nineteenth Century, Vol. 1 of 2: Or, Colloquies on the Errors and Improvement of Society They order this matter better in France; they order another better in Spain; nay, even unhappy Portugal may have some peculiarities worthy of imitation. Happy, indeed, would it be for mankind if the delegates of all civilized nations were to assemble in congress and submit their various institutions, laws and customs to a strict comparison and scrutiny, and then synthetically from a scheme of universal polity! This could not be a Utopia, according to the general misapplication of that term, but a system deduced from experience upon the clearest principles of science. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
