

Depression Glass: A Collectors Guide (Schiffer Book for Collectors)

In an endearing personal account, Doris Yeske shares her love and knowledge of Depression glass and knowledge accumulated through years of research. This is the perfect starter book for any would-be collector - a gentle and humorous introduction to the hobby starting with the origins of the glass, leading them through garage sales and auctions, and on to a more extensive knowledge of specific colors, patterns, pieces, and prominent companies. For anyone already ensconced in this brilliant world of affordable, attainable glassware, this compatriot is ready to share her stories. More than 240 images accompany the engaging text, complete with current values.
