

## Munchkin Vol. 3

Based on the immensely popular card game, Munchkin comes to comics! Taking place in a very flexible mashup of genres, Munchkin collects stories from the world of the fantasy roleplaying satire. What do Munchkins do? They play for the win. They are rules lawyers. They backstab. They gloat. They whine when someone else backstabs or gloats. Welcome to the world of Munchkin, written by fan favorites Tom Siddell (Gunnerkrigg Court) and Sam Sykes (Aeons Gate) with art by Ian McGinty (Bravest Warriors), Mike Luckas (Skullkickers), and Scott Maynard (MunchkinGame).
