

## Next Door

Have you ever wondered about your neighbors? A teen learns the terrible truth about the house next door in this comically chilling Halloween frightfest. Home alone on All Hallows Eve, Kat Mandu is being creeped out by the family that lives next to him. Why is a child often screaming over there? And whats with those crazy signs in their front yard? Feeling alienated from peers and parents, intimidated by his new pet, he decides to get to the bottom of the weirdness of his neighbors. What he discovers will haunt him. A fun short story that proves you never can tell what might lurk in the house Next Door.
