

Conversation Skills Now!: Ignite Your Life With Proven Conversation Strategies, Communication Skills, And Conversation Power To Create Your Destiny!

This book contains insight on the Art of Conversation and how you can use this art to create a life of your choosing! Picture this; you are standing in an elevator with a middle aged man wearing a Hawaiian shirt, shorts, and boat shoes. You say nothing to him, you do however, think to yourself, Wow, pretty relaxed attire for a Tuesday afternoon, he must be out of work. Now consider this, chances are this middle aged man in relaxed attire is not out of work, on the contrary. You see, he is actually the owner of one of the areas finest business enterprises. He is actually so successful that he doesnt have to dress up, but you wouldnt know this, because you didnt bother to talk to him. If you would have spoken to him, you would have found out that he actually was in need of someone like you. Whether you are young, old, successful, unsuccessful, an entrepreneur, or an employee, you owe it to yourself and your future to learn and apply the art of conversation to your advantage. This book shows you how. Here Is A Preview Of What Youll Learn... The Importance Of Conversation And How It Can Open Up Opportunities The Characteristics Of A Great Conversationalist The Elements Of Conversation How To Improve Your Conversation Skills How To Speak With Strangers Successfully Much, Much More!
