

Taking Sides: Clashing Views on Controversial Psychological Issues (Taking Sides)

This updated thirteenth edition of Taking Sides: Psychological Issues is designed to introduce students to controversies in psychology. The readings reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework. By requiring students to analyze opposing viewpoints and reach considered judgements, Taking Sides actively develops critical thinking skills. This title is also supported by the Student Web site, Dushkin online (<http://www.dushkin.com/online>)
