

The Complete Annotated Oz Squad

Often imitated, never duplicated, Oz Squad is the first and best comic book inspired by the classic Wizard of Oz series of books by L. Frank Baum. This collection is the first-ever edition to include every single issue, including the beloved Little Oz Squad Special. It is the ultimate collection and it comes with notes and annotations by the author, explaining some of the deeper mysteries and sillier aspects of the series. This edition features cover art by noted illustrator and Oz Historian David Lee Ingersoll. Alternately loved and reviled by fans, scrupulously researched by the author, this edition stands as the ultimate collection.
