

The Demonata #10: Hells Heroes

Beranabus and Dervish are gone. Bec has formed an unholy alliance with Lord Loss. Kernel is blind, held on Earth against his will. Grubbs is mad with grief and spinning out of control. The demons are crossing. The Disciples are falling. The Shadow is waiting. Welcome to the end. Steel your stomachs and grit your teeth--the tenth book in the saga of the battle between Earth and the hoards of the Demonata waiting to destroy our world will be blood-curdling, bone-rending, and truly terrible.
