

The Shaving of Shagpat (Classic Reprint)

Excerpt from The Shaving of Shagpat It is not as seeking to issue this book under the ?gis of Merediths approval that his letter appears here. Such approval as it contains refers not to the present work but to an essay published some years ago on the same subject. Merediths letter is given because it reveals his opinions not on my work but on his own. It may fail to convince certain folks that The Shaving of Shagpat is an Allegory - but it cannot fail to convince them that Meredith at least intended it to be so.
