

Origami (Chinese Edition)

This introduced origami book describes the origami ways of animals, myth creations, people, and machine, etc. Through basic knowledge explanation, origami pattern preparation, material interpretation and detailed graphic steps, the book is designed to make the readers know every special work, and fold them in person, to fold their prefer works based on own tastes and construct their own origami park. The origami material is easy to prepare, you can just pick up a piece of paper and fold, simple and inspiring.
