

The Young Mans Guide (Classic Reprint)

Excerpt from The Young Mans GuideIt is now nearly twelve years since this work was prepared for the press, during which period it has passed through fifteen editions, some of them very large. Besides this, it has been the occasion of many other books for young men, - some of them bearing almost the very same title, - whose sales have also been extensive. But as the original, or parent work, is still preferred by many to the later, and, in some instances, doubtful productions of those who prefer to live on the labors of others rather than to originate for themselves, it has been thought expedient by the Author to revise it, and especially to add a few thoughts on the nature and character of Friendship. The greatest change is made in the last chapter. About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
