

Trash into Treasure Creating Scrapbooking Layouts from Castoffs for Cheap Scrapbooking

Looking for ways to save while you scrapbook? Don't let budget cuts stifle your creativity. With over a dozen years of scrapbooking experience, Autumn Craig presents an indispensable guide to getting more scrapbooking done saving both time and money. This idea book is filled with layout ideas created by scrapbookers just like you created local crops at I attended with paper and embellishments other people considered trash. This book demonstrates how other people's trash can become your treasure. This idea book shows the original kit used, the created layout and ideas on how to duplicate the layout yourself. It also includes ideas on where to find cheaper supplies for scrapbooking.
